Who Is the Real Enemy?

The smug, self-satisfied American, constantly reminded of his million-dollar school buildings, deluged with literature and "information," ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. The mysterious powers controlling this barrage of propaganda try to keep the American people occupied with sex, sports, and something-for-nothing, yet we see daily that some sinister invisible power is dragging our great nation down, down, down.

Is Everything All Right?

While we are taxed as no other people in history, we are daily reminded how virtuous we are to submit to this ever-increasing legal robbery. We see our bankrupt Federal Government generously handing out lavish gifts and vast domestic subsidies, which seem to create only further excuses to justify more and more crushing taxation and Federal seizure of all power.

We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and victory for World Communism. We are being mysteriously conquered by the Illuminati House-of-cards, that is struggling desperately just to maintain its frightful oppression over some billion most unwilling subjects, who could be easily aided to overthrow their hated Red Masters. Yet our government squanders the fabulous monies, which it extracts from us in the name of defense, only to aid Communism to swallow the world!

We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and glorify the weak, the effeminate, and depraved, the Jew, and the Negro.

We are frequently told that the magnificent White Race that created modern civil-
ization is doomed to subjection by the unimaginative, complacent, docile coloreds, whom we could easily exterminate in toto if we so had a mind.

WHY?

Who has decreed that the greatest people in the world should just lie down and die? These questions have been seriously investigated by a dedicated and intelligent handful of inquisitive patriots who refuse to believe that they must submit without a fight to degradation, mongrelization, and slavery in its most hideous form.

The reasons behind all these illogical "bunglings" always stem ultimately from the same source, the fantastic conspiracy of an alien minority to persuade the rest of humanity to enslave and destroy each other! This exceedingly clever, diabolical scheme is rapidly approaching complete achievement, and YOU are in dire peril. THIS IS RACE WAR TO THE DEATH!

JEWISH RACIAL DISCRIMINATION

You are continuously cajoled that race is a myth, yet the Jewish Race who bombard you with this stupendous lie deny it in their every act! There has never in all history been such a bigoted, race-conscious group — their every act from cradle to grave is guided first, last and always to preserving and advancing the Jews at the expense of all others.

Do they integrate? Do they practice brotherhood toward you? Do they aid needy Gentiles with the fabulous tax-free donations to Jewish "charities"? What Jews do you know who are in need of charity? Their bureau of propaganda, the American Jewish Committee, and their secret police, the Anti-Defamation League, are they charities? Why are donations to their trouble-making, hatred and strife-creating NAACP permitted to go tax-free?

Did you know that the Jews have cold-bloodedly murdered since 1917 over a hundred million of the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality? Did you know they are openly
discussing forced mixed marriages (White-Negro)?

Has it ever occurred to you that the Jews fumed and breathed fire and hatred about their Nazi "exterminators" and pushed us into total war to make the world safe for the Jews, yet to your knowledge not one of the many Jews you know ever joined in the bloody fighting against their alleged "liquidators"?

How could the Jews almost to a man escape front-line duty? What mysterious power effected this outrage against the Gentiles? Have you ever stopped to wonder? And while you and your kind were suffering and dying, millions of Jewish "refugees" (invaders) poured into this country as though no immigration laws existed, while Gentiles found it almost impossible to come to America. While you fought and bled, the Jews bilked our people out of billions of dollars in crooked war contracts, their "sacrifice on the Home Front"!

THE ROLE OF THE NEGRO

Although the Jews publicly pretend to be champions for the Negro, you should know that they try hard to conceal the fact that they despise the Negro as much as they despise us. Why this sudden interest in the Negro? Because they find the Negro a most useful tool to destroy us. The childish Africans are even more susceptible to their brain-scrumbling propaganda than you are, and are completely incapable of leadership.

They are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington, the center of government, and in New York, the center of world Jewry, just in case we wake up before they take our guns away from us.

THE END OF THE WHITE RACE?

The Jews repeat daily that the White Race is on the road to oblivion — that the black savages of Africa, and the pitiful masses of India and China will do away with the White
Man — and you meekly believe it, for no one has ever told you the truth! The time has come to assess the situation honestly!

The European Whites became the dominant force of man because our leaders possessed the intelligence, the imagination, the courage, the energy, the morality to seize destiny in their own hands. Now that we have built a wonderful new world, shall we meekly permit a small band of effeminate pirates to despoil and destroy us? It seems inconceivable, but that is exactly what is happening!

THE ACHIEVEMENTS OF THE MODERN WHITE MAN

The people originating in the island of Great Britain have, with invaluable contributions by the other White Men of European origin, created modern civilization. The Negroes have always been completely incapable of contributing to civilization. The Asians almost ceased contributing nearly a thousand years ago. The Jews have contributed only microscopically, despite their fictitious claims.

Einstein and Freud, their most publicized "scientists" were highly imaginative speculators who have contributed more confusion to the orderly progress of science than they have useful knowledge. Salk, after being subsidized extravagantly by the Jewish-controlled Polio Fund, has produced a vaccine of questionable value. Yet the Jewish-controlled Press hails them as the greatest scientific geniuses in history.

You poor vilified Anglo-Saxon and Celt, the Jews have yet to produce a Newton, a Dalton, a Darwin, a Lister, a Watt, a Bell, a George Stephenson, a Fulton an Edison, or any Wright brothers. And you good Christians whose forebears came from the European continent, the Jews have yet to produce a Herschel, a Pasteur, an Arrhenius, a Lavoisier, a Gutenberg, a Galileo, a Leeuwenhoek, or a Marconi. If the Jews are so smart, then why have they not been able to contribute more to modern civilization?

SPECIALIZED PARASITES

A Jew from tender age is trained to be a parasite, a despoiler, and an exploiter of men. He is a specialist in deceit, in trickery,
in exploitation of the "stupid Gentile". Elias Howe devised the sewing machine, but Isaac Singer robbed him of his invention and pocketed millions. Hazel Bishop developed an improved lipstick, but her Jewish "partner" pirated it away from her by tricking her into signing a fraudulent assignment and is making millions. Daguerre, Eastman, Edison and other White Gentiles combined inventions to make the motion picture possible, but a clique of Jewish financiers now own the movie industry, into which so many billions of dollars pour.

The Jews use code words so they can talk freely in front of "stupid Gentiles" without letting their intended victim know their intentions. Taking the Biblical story of how Jacob defrauded Esau out of his birthright, they brag that they are the dishonest Jacob (The Voice) and we are the defrauded Esau (The Hand)!

**HOW ARE THEY DOING IT?**

The Jews long conspired on the principle that through control of the purse they could rule the world, but to their sorrow they learned that after they had bought control in a country, its infuriated king would forcibly eject the unwelcome "vermin". So the Jews conspired to remove the rulers of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe, (Democracy).

At a meeting in 1870 Jewish leaders decided that, since they were always expelled when the Gentiles realized what happened, they must keep their victims in complete ignorance of what was happening — the Jews must gain absolute control of the Press!

**CONTROL OF THE PRESS**

With their unquestioned domination of European finance they readily accomplished this goal in Europe. Next they invaded the United States, since this country by then had been made safe and comfortable, and they set to work like termites to undermine us.

As we developed such new media of communication as radio, motion pictures, and television, the Jews stepped in with their su-
perior financing, their ruthless piracy, and Jewish discipline (they are ruled with an iron hand) and took possession of all means of mass communication. They proceeded in deadly earnest to scramble our brains, corrupt our morals, and prepare us for slavery.

CREATED DEPRESSION TO SEIZE POWER.

Through their complete dominance of "Wall Street" they broke the stock market in October, 1929, by unloading their vast holdings of stocks and bonds. By withholding billions of dollars from circulation, they threw the economy of this country into utter chaos. As they have done often, they created a disaster and then obligingly offered to save us — for a price — the price of our Constitutional Government, which they have completely destroyed.

"Miracle-man" Roosevelt was actually an arrogant front-man, who was obliged to have Sam Rosenman even write his speeches and who, following the orders of his Jewish bosses (Bernard Baruch, Sidney Hillman, Felix Frankfurter, Henry Morgenthau), convinced us that we could no longer take care of ourselves. We have now been degraded to a dispicable caricature of our strong, brave, self-reliant, thrifty, moral ancestors. Be honest with yourself, are we not?

INVISIBLE ENEMY

We are taxed far past the point where all other people of the world have revolted! And we raise not a finger, because we do not even know against whom to revolt! We let the Jews slander, ridicule, and vilify us daily, while we are not even allowed to hint that any Jew could possibly do wrong. Has any Jew ever been sent to the penitentiary for the billions of dollars of income taxes we know they have evaded?

We let the Jew destroy all our real leaders who could lead us in a revolt against Jewish World Enslavement. What do you think happened to Charles Lindbergh, Sen. McCarthy, Rep. John Rankin, James Forrestal, Gen. Moseley, Gen. Douglas MacArthur, Sen. Wheeler, Larry Duggan, and Gen. Patton? They each tried to combat the Jewish Con-
spiracy, which many people still naively believe is Russian "Communism."

SUPPRESSION OF THE TRUTH

Why are patriotic American newspapers unable to print the truth about the Pharisaic Conspiracy? First, because all newspapers depend, for National and International news, on the Jewish-censored wire services. Second, in less than an hour after a paper telling the truth about the Jewish chicanery hits the street, raging representatives from the B'nai B'rith will have the luckless editor backed up in a corner threatening to withdraw permanently all Jewish advertising (most of the paper's revenue), cancel all Jewish subscriptions, cut off his supply of paper (they now have a monopoly on this item), deny him recourse to Jewish financing (which now enjoys a stranglehold in an ever-increasing number of cities), and call a strike through Jewish-controlled labor unions. Any reporter who writes the truth about the Jews is fired and his story "killed."

LET US PREPARE OUR DEFENSES

Where, oh where, are our leaders to take us out of the impending Red Hell? All the well-known ones have been destroyed by the Jews, with the generous aid of countless Gentile trained stooges. If the White Gentiles are to save themselves from being herded to the slaughter like docile sheep the time is long overdue to organize for the fight against our real enemy.

Learn who our enemy is, and how he intends to make you fight for your own enslavement! Learn what is happening to our unhappy world. Subscribe to publications which will tell you the truth. See that the uncensored facts are spread far and wide. Contribute your time and your money generously to Patriotism — this is the only investment, the only charity now that counts!

When you become fully alerted to the awful danger descending upon us, you will want to join us in organizing secretly for the fight to decide whether or not we have the right to exist on this earth as human beings! If we are so demoralized, so stupid, so de-
praved as not to care, then we shall pay the
awful penalty against this most hideous
crime against our forebears and our pos-
terity — our race of people will disappear
from the earth!
If we can liberate our country from the
deadly clutches of the Pharisaei vultures,
Communism throughout the world will fall,
along with its architects, like an over-ripe
apple. The enemy capital for many years has
been New York, not Moscow.

STOP JEWISH BARBARISM!
All through history the Jewish race has
been known for its savage massacres. From
the time of Ahashuerus through the present
day the Jews have been directly responsible
for the deaths of over 200,000,000 human be-
ings, a great number of whom were Christians.
The combination of the evil Jewish mind
and satanic Jewish "religion" makes the Jew
a sadist by his very nature. He is not content
unless he is inflicting misery, suffering and
torment. The facts show that the most vicious
atrocities against mankind have been committed
by Jews. These statements are clearly
documented in Arnold Leese's book, "Jewish
Ritual Murder."

BRITISH AUTHORITY DISCUSS FATE OF THE WHITE RACE

EDITOR'S NOTE: Below we reprint the substance of an article which recently appeared in a courageous British patriotic journal known as "Free Britain." No intelligent citizen dare ignore the deadly facts contained in this document.

In the arrival every week of hundreds of Negro immigrants, now totalling tens of thousands from Jamaica alone, we are witnessing the first stage of a social experiment by UNESCO, which intends to use the British Isles for the stock raising of a mixed breed of people resembling, if possible, the ultimate brown man in the picture recently published by this organization.

Reasons for choosing Britain as one of the most suitable areas in which UNESCO race mixing program can be started under controlled conditions, are several, an important consideration being that there is unlikely to be any interference from the British Government.

This was impressed upon the writer some years ago when the Home Office was unable to give any statistics on the number of half-breed children left behind by the Negro troops stationed here during the war. No figures relating to the mixed population were available from any Government Department, and the Home Office spokesman insisted that it was no part of his duty to deal with such inquiries, and that it was no concern of the British Government, so far as he was aware, to preserve the racial composition of the British people.

Hatred for Whites

But even if it were not so simple, UNESCO has vital reasons for singling out the British people, more than those of any other country, for race liquidation. The United Nations Educational, Social and Cultural Organization (UNESCO)—the UN tail which wags the UN dog—is comprised in the main of Jews whose Communist sympathies have never been more than thinly disguised, if at all. And as revealed in the June issue of "Free Britain" UNESCO's teaching is unadulterated Communism with an overriding hatred for the white man's authority.

Home of Nordic Race

Not only have the racial instincts of the British people been proof against the teachings of Jewish Communism, but also these islands have been the great reservoir from which all the white countries of the world, outside Europe, have drawn most of their population. Apart from thinly populated Scandinavia and North Germany, Great Britain is still the home of the Nordic race which alone stands across the Jews' path to world supremacy. The liquidation of the British people by race mixture is therefore the logical sequence to the last war which was fought to defeat Hitler's policy of uniting the white peoples in self-defense against Jewish ambition.

The racial policy upon which UNESCO is embarked is in fact Hitler's policy in reverse, and was described clearly as far back as the early 1920s when the seeds of UN were sown in the Pan-Europa Movement and particularly in the book "Practical Idealism" by its President, Count Klergeri. Klergeri, himself, a cross-breed, wrote that "The man of the future will be the cross-breed. The Pan-European will be of the Eurasian-Negroid mixture, in appearance similar to the ancient Egyptians, and of these the Jews will form a new aristocracy of spiritual grace".

Now the Jews of UNESCO have produced a picture of this brown-skinned Pan-European who is to be their hewer of wood and drawer of water in the brave new order which is to come about under their projected world government. That is when they achieve, in their own words, "The great ideal of Judaism in that all the world shall be imbued with Jewish teaching and in a Universal Brotherhood of Nations, a Greater Judaism in fact, all the separate races and religions shall disappear".

Fate of Portugal

Meanwhile there is the Nordic race to consider, with Great Britain as its main reservoir and the center of a great Empire yet to be destroyed. The obvious means of destruction lie to their hand in race mixture. It is known to every student of the subject, not least to the Jews themselves, that this deadly scourge destroyed all the great Aryan civilizations of past. Whether by design or accident it is difficult
to tell at this distance of time, but the Jews were there to see the end and profit by it. But there is the later instance of the unhappy fate of Portugal in which they played a very decided and deliberate part, which should be remembered when reading their UNESCO pronouncement of 1950 for Gentile consumption which says that “racial discrimination has no scientific foundation in biological fact; mental and temperamental character of all races are essentially similar”.

Let us note then the biological war which the Jews waged against Portugal with such devastating success only two hundred years ago. The facts are recalled by Arnold Leese in his pamphlet on “Our Jewish Aristocracy”, where in an historical note on the fate of Spain and Portugal, he says:

“... the Spanish and Portuguese had, however, made the supreme mistake of imagining that any Marrano (Jew professing Christianity) could be a substitute for a European. Absolute discrimination between white European Christians and the ‘New Christians’ as the Marranos were called, was only insisted upon by the best informed of the aristocracy, who kept a record of the New Christians so that intermarriage with them might cease... Then, at last, the assault was deliberately made on the last citadel of racial purity. On St. John’s Day, 1744, Frederick, Prince of Wales, Grand Master of English Masons, received socially the Portuguese Ambassador, Don de Carvalho Mello. This gentleman became better known as Pombal. On May 2, 1768, Pombal ordered the destruction of all registers of Marrano families, and ordered all the heads of the exclusive and race-conscious Portuguese families to arrange that any daughter of marriageable age must be engaged within four months to marry a member of one of the hitherto excluded Jew-contaminated families”.

Lost Interest

From that time the Portuguese governing class lost interest in the racial purity of the country and encouraged the importation of cheap Negro labor from the Portuguese colonies. The result is that even to the Africans the Portuguese are today known as the “Black Men of Europe”. It is difficult to believe that such a few generations ago, when Portugal was building her once great overseas Empire, the majority of her pioneers were of the Nordic race. The Jew can certainly point to Portugal today and say with Oxymandias, “Look on my works, ye mighty, and despair”!

A more recent case of calculated race contamination by those who say that “all races are essentially similar” was brought to light in 1935 when Jewish students in American universities had formed a national Jewish movement under the name of “Phi Beta Delta”, with the principal object the seducing and violating Aryan girls. Three members brought to trial in New York were acquitted by the Jewish judge, Joseph Goldstein, on the grounds that “he did not wish to prejudice the future of these young people by sending them to prison”. Not when their future lies in the work mapped out for them by UNESCO in spreading the doctrine of racial equality! It is a Jew, Arthur Spingarn, and not a Negro, who is president of the National Association for the Advancement of Colored People in America, the organization which has been sponsoring law suits all over that country to open up white schools, restaurants, buses and hotels to Negroes. Another Jew, Julius Rosenwald, has spent, according to our American friends in Atlanta, some 30 million dollars in financing organizations and writers to promote the idea of mixed breeding.

THE ARYAN KNIGHT

Suppressed Views

This fact has to be borne in mind when reading the British press on the color question in this country. Even among the local newspapers in the New Harman areas of London, Liverpool, Hull, Birmingham and other densely populated centers in England, there is no voice raised in protest when British families are squeezed out of their homes by the Negro immigrants. The word has been passed round the newspaper offices, it seems, that anti-color views like anti-Jewish views, must be suppressed even in letters from readers.

Those who profess to fight Communism run from any challenge on vital issues. Nowhere in our national press will you find any exposure of the following statement by the American Jewish publication “Jewish Life”, which said on page 8 of its June issue, 1950: “Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paradox in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future.” Our Jew-wise American friends who have seen the color question at close quarters longer than we have in this country make the point that the Jews are merely using the Negroes for their own purposes, that “they hate the Africans as well as us whites; they want to destroy both races by mongrelization”.

“Free Britain” is not able to cross check at first hand all the information which comes from friends abroad and we are therefore forced to place on one side quantities of interesting matter until we can feel satisfied of its authenticity. Until such time it is not our practice to publish it. There is for example a report of a speech attributed to Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest on January 12, 1952, which has been in our possession for nearly two years, and which has been published in America and by Elmar Aberg of Norviklen, Sweden. We have recently heard of the circumstances in which this was obtained, and with confidence in our informants we now give an extract from Aberg’s leaflet relevant to all the above points. Rabinovich is reported as having said:

“We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions (to be set up in all the wrecked countries after the Third World War, according to an earlier passage in the speech) will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and white men with dark women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will be eliminated. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples”.

As a forecast, the above depends on the bringing about of a Third World War, but as an expression of sentiment and ambition there can be no doubt of its accuracy so far as a very important and vocal section of Jewry is concerned. It serves to underline the motives behind the biological war now being waged against this country, a war which the British Government refuses to recognize as such.

PRINCIPLES

The Northern League believes in...

Heredity
The laws of biological inheritance apply to human beings as well as to the animal and plant kingdoms.

North European Kinship
The keltic, Teutonic, Scandinavian and Slav peoples of North European descent are the present day representatives of the great Indo-European family—the creators of the classic civilisations of antiquity as well as of the benefits of modern technology.

Human Progress
Further human progress can only be sustained if the biological heritage is preserved, and a cultural decline must inevitably follow any decay in the biological heritage or falling-off of genetic quality.

The white folk of North America, the descendents of the gall members of the North European racial family. The Northern League around the World to pre
AIMS

The Northern League accordingly aims...

To foster North European friendship throughout the world: Internecine warfare must be abandoned if a common front is to be created amongst our peoples to resist the threat of 'annihilation by assimilation' which today faces us in all quarters of the globe.

To oppose the levelling forces of Communistic and Cosmopolitan philosophy.

Both our biological and our cultural identity are threatened by the forces of Communism and Cosmopolitanism, backed as they are by ever-increasing numbers and influence.

To combat cultural and biological decay.

Even should the threat from external forces be thwarted, our biological and cultural heritage faces a still more severe threat from within. The immigration of alien peoples into our homelands and the rapid diffusion of degenerate cultural influences, mostly through the world of entertainment, but also at intellectual levels, can itself within only a few generations result in the annihilation of our race and the obliteration of our cultural heritage.

Perhaps the most far reaching political trend... the history of the European peoples in the second millennium has been the divorce of nationality and race. Up to the end of the first millennium it was customary amongst our forefathers in Europe to speak of people rather than states, and the elected monarchs were known as Kings of the English, Kings of the Danes or Kings of the Franks rather than King of England, of Denmark or of France. With feudalism, however, there came a rupture with this ancient idea of race-nations, and monarchs were no longer thought of as the father of their people (king-tying or "father"). Instead they became territorial lords, who leased out the lands they held to tenants in return for fealty and service, and the common peoples became tied to the land on which they were born, mere chattels of the monarchs. Kinship receded into the background as the basis of national ties, and land ownership became all-important. Nationality came to be determined not by descent, not by the common blood ties of a shared biological heritage, but by the accident of geographical location.

At first this seemed merely a step forwards toward more efficient administration, and since the very fact of feudalism prevented persons from moving freely from one district to another, or from the realms of one lord to those of another, so kinship and territorial overlordship went hand in hand. Eventually, however, the essential divorce which had taken place began to have its effect. Territories became amalgamated or divided by marriages or deaths of the rulers, populations began to migrate, changing their allegiance or 'nationality' as they went, and as modern economic forces destroyed feudalism, citizenship and nationality ceased to have anything to do with race, and place of birth became more important in determining the nationality of the child than race or heritage. This meant racial chaos.

"What we have to learn, and learn quickly, if we as Europeans are not to be annihilated as a species, is to begin to think in terms of ethnic identity, and pan-national concepts. What we must do is develop a world-wide bond between our own kind, and to avoid being misled into more fratricidal wars. For the past thousand years we have been busy destroying our own kind, while those of other races sit back and laugh at us. When are we going to begin to think in terms of ethnic and racial identity?"

The only way to begin is to educate ourselves in those subjects regarding biology and the biological interpretation of history which have been left out of our school syllabus—left out not accidentally but intentionally. Towards this end the successful 40 page bi-monthly journal of North European friendship, Northern World (for persons of North European descent throughout the world), was launched two years ago. Now, encouraged by their progress, the supporters of this journal have launched THE NORTHERN LEAGUE, which is a cultural and educational institution aimed at so educating North Europeans. Membership is only $3 per annum, and entitles members to free copies of the League's monthly news review of race matters throughout the world entitled The Norblander; free specimens of all League leaflets (and an unlimited supply of these on request for free circulation to friends); and also the cooperation and advice of the League Secretary in all matters relating to the progress of North European friendship throughout the world.

The League, with its moderate membership fees, is a sure step towards preventing the internecine strife which has torn our people in the past, and also of stopping the threatened annihilation of our kind by assimilation into other and larger groups. And not only is it a cheap way of helping the cause, but its free literature service to members is something which no one interested in White European survival can afford to miss.
SPECIAL GUEST ARTICLE

For years, Byram Campbell was known only as a successful businessman. When he turned his talents to writing and blossomed forth with American Race Theorists, many Rightist intellectuals immediately recognized a kindred spirit and happily welcomed him into their ranks. Soon, he produced The World of One and with it moved to the front rank of patriotic thinkers.

At present dividing his time between business and patriotic work, Campbell typifies many other patriots who have been forced to set aside their livelihood long enough to give battle to the insidious threat of Marxism-internationalism. Such men as Campbell are not the sterile, products of an arid intellectuals; rather, they are true philosophers of wisdom and experience. Below he points up what he considers to be the greatest need in America today.

As Spunik's pursue their courses around our globe, America has suffered a rude awakening. Our "liberals" have insisted that we should lead the world not only because of our supremacy in technology; but also because of our understanding of the worth of democracy and morality. Now we discover that our technology is not supreme. To that extent, the dream world which "liberals" conjured, has been shattered. But what of our moral leadership?

Fortunately, most of us - we who embraced the dream as well as the few who saw it as a dangerous delusion, are as one in realizing that we must revamp our ways. Some of us see further than the need to reshuffle our educational system so that it will produce a greater number of human automatons - who, in their turn, will produce better technological devices. Though we grant that such are necessary, we also believe that we need an educational system that will also impart wisdom.

How desperately we are in need of such wisdom can be
shown by the following incident, which occurred at one of Eisenhower's press conferences. Speaking of his wartime meetings with Zhukov, Eisenhower said:

"I was hard put to it when he (General Zhukov) insisted that their system appealed to the idealistic and we completely to the materialistic. And I had a very tough time defending our position, because he (Zhukov) said, 'You tell a person he can do as he pleases, he can act as he pleases, he can do anything. Everything that is selfish in man you appeal to in him but we tell him he must sacrifice for the state.'"

Had Eisenhower been fortified with knowledge of the humanities, he could have pointed out to Zhukov that he had embraced a new god: this being the state. He could have proved to Zhukov that the state, as demonstrated throughout history, is more apt to be tyrannical and stupid, than wise and benevolent. He could have shown Zhukov that states have built pyramids for the glorification of their rulers; have waged wars for the same purpose, and have been inclined to oppress their citizens to maintain power. With added knowledge, he might have shown more.

Eisenhower could have shown Zhukov that his faith in the state sprang from a new worldly religion demanding an absolute faith in the righteousness of centralized power. He could have then pointed out to Zhukov that the liberal West (using the term liberal in its original meaning) had discovered that it is improper to force any religious belief on anyone, though he, Zhukov wished to force his religion on everyone. He would have shown Zhukov that all human spirits, no matter how fine; no matter how lofty their aspirations, must fall down before the new god figuratively or literally perish.

The fact that Eisenhower could not successfully cope with Zhukov's false god should prove that our need for wisdom is greater than is our need for Sputniks. This occurrence should demonstrate to us that our first aim must be to so educate our young that they understand the nature and worth of freedom as well as the nature of tyranny. In this process doubts must arise about "liberalism"; for modern "liberals," who would lead the world morally, are also state worshippers.

Cover Page
Northern League Office established Sausalito, California. "Object of Northern League is cultural; to create better relations between white people of all nations." Headquarters of organization is located in Scotland. Aims and principles of organization set forth.

DETAILS:

The November, 1958 edition of "Right", a monthly newsletter published in San Francisco, California, page one and two, contains the following information regarding the Northern League:

"NORTHERN LEAGUE OFFICE OPENED"

"Falling in step with other 'realistic idealists' located all around the world, the first North American office of THE NORTHERN LEAGUE has been established at Sausalito, California.
"The object of THE NORTHERN LEAGUE is cultural; to create better relations between White people of all nations. In this way the mutual misunderstandings will be eliminated which have so far resulted in two terrible world wars and which now weaken the resistance of Christendom in its fight for survival.

"The emphasis of THE NORTHERN LEAGUE is scientific and forward-looking. It is recognized that biological science and the immutable laws of heredity must be observed if there is to be further world progress.

"N.B. HOLT, Sausalito resident, has been named Local Organizing Secretary of the branch. Dr. E. L. ANDERSON, brilliant retired professor and author whose articles have often appeared in RIGHT, will assist in organizational work.

"Mailing address if P.O. Box 67, Sausalito, Calif. Dues are $3 per year. Members are placed on the mailing list of The Northlander, monthly news review of pan-Nordic affairs, and receive free LEAGUE literature and consultation."

The September, 1956 issue of "Right", a monthly newsletter "of, by and for the American right wing" contains on Page 3 the following statement:

"Of late, more Rightists are expressing interest in Negro nationalism, seeing in it a solution to many problems. One group, the Joint Council for Repatriation (Box 67, Sausalito, Calif.) even sees the cure for the growing agricultural and industrial surpluses in the proposed repatriation program and suggests that each Liberian pioneer be given $1000 worth of farm and factory products each year for his lifetime. This, they argue, would be much cheaper than foreign aid and it would solve economic and social problems instead of create them. In addition, it would offer a great incentive to families which otherwise might not be attracted."
On November 3, 1958,
The San Francisco Office of the FBI on October 31, 1958 received the following literature through the United States Mails from "Right", Post Office Box 180, San Francisco, California:

1) A white, four-page pamphlet entitled "Aims and Principles of the Northern League for Pan-Nordic Friendship". The front cover sheet of this pamphlet lists its California Office as P.O. Box 67, Sausalito, California, and Head Office as 23, Rolland Street, Dunfermline, Scotland. The contents of this pamphlet is set forth below:

"PRINCIPLES"

"The Northern League believes in...

"Heredity"

The laws of biological inheritance apply to human beings as well as to the animal and plant kingdoms.

"North European Kinship"

"The keltic, Teutonic, Scandinavian and Slav peoples of North European descent are the present day representatives of the great Indo-European family—the creators of the classic civilisations of antiquity as well as of the benefits of modern technology.

"Human Progress"

"Further human progress can only be sustained if the biological heritage is preserved, and a cultural decline must inevitably follow any decay in the biological heritage or falling-off of genetic quality.

"The white folk of North America, the descendents of the gallant pioneers who carved a great nation out of the wilderness, are members of the North European racial family. The Northern League extends a special invitation to them to join hands with their kinsmen around the World to preserve our racial heritage.
"AIMS

"The Northern League accordingly aims...

"To foster North European friendship throughout the world. Internecine warfare must be abandoned if a common front is to be created amongst our peoples to resist the threat of annihilation by assimilation! which today faces us in all quarters of the globe.

"To oppose the levelling forces of Communist and Cosmopolitan philosophy.

"Both our biological and our cultural identity are threatened by the forces of Communism and Cosmopolitanism, backed as they are by ever-increasing numbers and influence.

"To combat cultural and biological decay

"Even should the threat from external forces be thwarted, our biological and cultural heritage faces a still more severe threat from within. The immigration of alien peoples into our homelands and the rapid diffusion of degenerate cultural influences, mostly through the world of entertainment, but also at intellectual levels, can itself within only a few generations result in the annihilation of our race and the obliteration of our cultural heritage.

"The Northern League Calls For Your Support

"To learn more about the work of the League write at once to The Local Secretary, P.O. Box 67, Sausalito, California, USA. Local centres are already widely spread and there may be one in your locality with which we could put you into contact. Failing that, there is always League literature including the League bulletin THE NORSENDER and the associated cultural journal NORTHERN WORLD, as well as the League Advisory Service, which ought not to be missed.
"You have a heritage which is well worth preserving, and which once destroyed cannot be restored. The League is fighting to protect that heritage: It needs your help.

"Membership involves no personal obligations and costs only $3 per annum. Write at once to the address shown on page one."

2) A yellow leaflet entitled "Why You Should Join The Northern League". This leaflet describes the Northern League as a society for the preservation of the Ethnic and Cultural Heritage of the Nordic peoples.

The leaflet sets forth that membership in the Northern League is $3.00 per year and entitles the member to (A) Free copies of the monthly news review of the Northern European Affairs—THE NORTHLANDER. An absolute essential to anyone interested in Pan-Nordic friendship. (B) Free specimen copies of all LEAGUE pamphlets and similar publications. Also free supply of such pamphlets in any required quantity for distribution. (C.) Advice and assistance on all matters of North European friendship and culture from the League Secretary.

In addition this pamphlet states "The White folk of North America, the descendants of the gallant pioneers who carved a great Nation out of the wilderness, are members of the North European racial family. The headquarters of the NORTHERN LEAGUE, in Scotland, extends a special invitation to them to join hands with their kinsmen around the world to preserve our common racial heritage. Offices of the NORTHERN LEAGUE are now established in most North European countries, and in other parts of the world where members of this family are to be found."

The pamphlet also states that regardless of where you reside if you qualify for membership you are invited to join the Northern League and may write to the organizing secretary, Post Office Box 67, Sausalito, California.

Our Third Birthday

With its third birthday Northern World enters a new era, and at the same time welcomes Free Britain subscribers to its readership. For a long time we have not been satisfied with the standard of printing and production that has previously been obligatory from an economic viewpoint. New journals have difficulty in obtaining income from advertising, and so expansion and improvement is dependent upon the size of circulation, and the number of subscribers that the contents attract as time progresses.

Even though Northern World is now just entering its fourth year, readership has during its short life enabled the editors to make numerous improvements, and we are now pleased to announce that our journal will henceforth be
Dear Friend -

Recently we sent you a complimentary copy of our journal, *The Northern World*, and now we have pleasure in enclosing a copy of the improved style July/August 1959 issue, which will in future be printed and distributed from London.

*The Northern World*, as you will know, was an old friend of *The Virginian*, and we were as sorry as anyone when this journal had to suspend publication. Any magazine which espouses patriotic principles immediately finds itself confronted by many obstacles and by international enemies. *Northern World*, because it attempts to give white people everywhere a basic knowledge of their own culture and history, and shows why we must have a common loyalty in the battle for racial survival, has been bitterly attacked, in just the same way as *The Virginian* was attacked, but so far we have managed to survive and are, in fact, growing steadily stronger every day.

The threat of the cosmopolitan one-worlders who desire to destroy our race by mongrelisation is the same in every country. It is the same in Europe, South Africa and Australia as it is in your own land. Our answer is in the production of a journal intended for true White people of North European descent, everywhere in the world, wherever they may today be living, so that they may work together in a common understanding of the universal menace of the race-mixer. In this ideal, Mr. William Stephenson, Editor of *The Virginian*, is in full agreement, and for that reason we are glad to have his support as an Associate Editor of *Northern World*, and to send you this second specimen copy with his full concurrence and good wishes and that of Mr. Lacy Jeffreys, publisher of the old *The Virginian*.

In addition to *Northern World*, we also publish a monthly news publication, *The Northlander* and we will be pleased to send you a specimen copy on application. *Northern World* costs £3.00 annually and *The Northlander* £6.00 annually.

We should like to take this opportunity of seeking your support by becoming a subscriber to either, or better still, both publications. Send £5.00 only to P.O. Box 444, Beamish House, Claremont Cross, London, W. 11, England if you wish to cover both subscriptions. You may also care to send for some of the excellent books and booklets on the vital problems of our age which are listed at the end of *Northern World*. An Order Form for your convenience will be found at the end of the journal.

We look forward to welcoming you to our world-wide and ever growing circle of race-conscious white people whose resistance to the plans of the Communists and the Integrationists is now making itself felt.

Yours sincerely,

ROGER PEARSON
Editor
